1 Background

In the wake of the COVID-19 pandemic, many migrant workers have returned to their respective home states. The pandemic has had an adverse impact on the overall workforce in India, especially for the migrant workers. Hon'ble Prime Minister, in "Mann Ki Baat" (31st May 2020) expressed the concern about the hardships through which the returnee migrants went through and outlined the country's resolve to provide employment and succor to such citizens.²

The Garib Kalyan Rojgar Abhiyaan (GKRA) is a 125-day Abhiyaan, launched by Hon'ble Prime Minister on 20th June 2020, with a mission to address the challenges faced by returnee migrant workers and similarly affected rural population by Covid-19 pandemic. As on June 2, 2020 an estimated 67 lakhs migrant workers were recorded to have returned in the 116 districts identified across 6 States – Uttar Pradesh, Bihar, Rajasthan, Odisha, Madhya Pradesh and Jharkhand. Through a multipronged strategy of providing immediate employment & livelihood opportunities to the distressed, GKRA aims to saturate the villages with public infrastructure, to create livelihood assets, to boost the income generation activities and to enhance long term livelihood opportunities with a focus on 25 works in 116 selected districts across 6 States with a resource envelope of Rs 50,000 crore³.

2 Key features: Garib Kalyan Rojgar Abhiyaan (GKRA)

On the lines of the GKRA, Ministry of Skill Development & Entrepreneurship (MSDE) plans to undertake demand driven skilling/ orientation under Centrally Sponsored and Centrally Managed (CSCM) component of Pradhan Mantri Kaushal Vikas Yojana (PMKVY) 2016-2020. MSDE, vide letter no. D.O. No. SD-17/46/2020-SNP (PT), dated June 2, 2020, provided a provision to train 3 lakh migrant workers through collaboration with the concerned District Collectors/ District Magistrates/ Deputy Commissioners from the identified 116 districts.

The training to 1.5 lakh migrant workers will be provided under Short Term Training (STT) and orientation/certification to another 1.5 lakh migrant workers will be provided under Recognition of Prior Learning (RPL) schemes of MSDE. National Skill Development Corporation (NSDC) shall facilitate the execution of training through the existing of Training providers and PIAs operating under PMKVY 2016-20 or state schemes. The demand aggregation for local jobs in the districts as well as the mobilization of returnee migrants for the purpose of training will be done by districts, initially. All effort will be made to organize training in locally demanded job roles. MSDE plans to conduct Skill training/ orientation and certification of these identified migrant workers within 125 days.

While selecting Job Roles for fresh training under STT under GKRA, the following factors have been considered (not exhaustive, only indicative):

- Placement/job opportunity at the local/district level

- Facilitation of bank loan to support self-employment
- Matching of existing job roles available at the local Training Centers (TCs) and approved under PMKVY 2016-20 job roles list
- Selection of suitable beneficiaries who are intending to stay in the district for at least 1 year.

3 Instructions for applicants

The purpose of the EOI is to invite application from eligible and interested Training Providers to apply for demand based job role training targets with the objective of imparting Short Term Training to the migrant-workers in applicable districts out of the 116 districts spread across the 6 states. The district wise tentative targets to be allocated under this EOI are based on office memorandum issued by MSDE. F. No. SCH-13/04/2020-SNP dated 17th July 2020.

This section lays down the key instructions to be followed by the applicants while submitting the application:

- 3.1 The existing PMKVY training providers/ PMKK's/ SSDM's training providers/ Industry/ Corporate Centres fulfilling the eligibility/preference criteria are invited for application for demand-based training through this EOI. The applications will be accepted only during a fixed time.
- 3.2 All training centers allocated target under this EOI need to comply with all PMKVY 2016-2020 guidelines including Accreditation and Affiliation for all centers before starting the Training programme and the readiness parameter as laid down in the subsequent sections
- 3.3 One Application per applicant can cover multiple districts. Each training center proposed by an applicant should contain the details of the sector for training along with job roles in which the applicant organization wishes to conduct trainings as per the district wise demanded Job role appended in Annexure 1. This list is tentative, and the updated list will be available at the EOI Portal.
- 3.4 The TP shall carefully apply amongst the applicable preference categories. **Once applied no changes in the categories will be accepted.** Furnishing application under incorrect category will lead to **rejection of the application.**
- 3.5 All applications will be evaluated as per the evaluation criteria post the submission cutoff date
- 3.6 Post Approval by competent authority, the successful applicant organizations will be intimated and may be invited for signing of an MoU/contract/indemnity bond.
- 3.7 Post the allocation of targets, the applicant organizations can start training in proposed centers only after successful accreditation and affiliation of each training center under Skill India Portal and obtaining 4/5-star rating in accordance with the center accreditation or affiliation guidelines. In-case of Special areas as defined in common norms, valid relaxations will be applicable.
- 3.8 The performance of the applicant organizations allocated targets would be monitored for quality aspect of Training, placement and other factors as per PMKVY2016-2020 guidelines.
- 3.9 Sub-contracting, sub-letting, franchisee arrangement of any kind for the conduct of training under GKRA is NOT allowed for any Organization/promoters of organization. If such cases are identified or brought to the notice of NSDC, then NSDC reserves the right to initiate any and all actions, not limited to, cancellation of the allocated targets at any time, but future allotments/engagements with the TP.
- 3.10 PMKVY guidelines to be referred for more clarification in case of any ambiguity.

- 3.11 NSDC has issued this EOI for shortlisting TPs/ TC for implementation of the GKRA project (under PMKVY 2.0) of MSDE based on limited targets and allocation guidelines as enumerated in OM of MSDE dated 17th July 2020. Hence following should be noted
- 3.11.1 NSDC does not guarantee target allocation to any/ all organization/training providers applying through this EOI.
- 3.11.2 Any applicant organization that is not qualifying the eligibility criteria (Annexure 3) will be disqualified at any stage during evaluation without any liability, whatsoever.
- 3.11.3 This EOI doesn't encourage creation of any new training infrastructure specifically for imparting training under GKRA/PMKVY. As only TC with ready infrastructure will be preferred considering the **limited project timelines and one cycle allocation potential**.
- 3.11.4 NSDC shall in no case be responsible or liable for the costs/ expenses being incurred by a TP/ TC while applying, regardless of the conduct or outcome of the application process.

4 Instructions to applicants for Recognition of Prior Learning (RPL)

Subject to approval from MSDE, only those Training Providers (TPs) who are selected for STT target allocation under GKRA, as a result of this EOI process, may be considered for RPL target allocation under GKRA. The allocation for RPL will be as per the numbers allocated for a district under GKRA, job role wise RPL demand received for a district, and the approved allocation matrix by MSDE. Preference for RPL allocation will be given to the job roles in which STT GKRA allocation will be done, RPL targets may be allocated in other job roles as well. TPs who are unwilling to take up RPL may mention this during their EOI response.

5 Key conditionalities under GKRA

- 5.1 The district wise tentative targets to be allocated under this GKRA are based on office memorandum issued by MSDE. F. No. SCH-13/04/2020-SNP dated 17th July 2020
- 5.2 The target allocation would be strictly according to job roles requested by the district administration in the district, subject to minimum viable number for one batch being obtained for a job role.
- 5.3 The ownership of mobilization, batch formation and further process within the list of migrant workers lies with the TP and TC with approval of District Administration/ Collector or other authority designated by the district administration etc.
- 5.4 Training provider in collaboration with the district administration will be responsible for shortlisting the migrant labourer.
- 5.5 TP will be responsible for managing uncertainties like cases of migrants moving out, or adding of new trainees in coordination with District Administration
- 5.6 In case of any change/deviation across Job roles in any district in future period shall be done only on basis of recommendation of the District Administration
- 5.7 Interest will be sought TC wise from preference 2-5 as per the OM. Since these preferences depend on infrastructure availability of TCs in the district, no capping would be applicable on it. In case of Preferences 6 – 9 , a TP can apply for multiple districts, but allocation will be done for maximum 5 TCs across multiple districts . This will be done to ensure a fair distribution of targets across TPs and to avoid a large dependency on a limited number of TPs.

- 5.8 It will be mandatory for the training provider to abide by the undertaking provided during EoI, failing which strict action including but not limited to termination of targets could be taken by NSDC
- 5.9 For the preference no. 7 as per the OM, a recommendation from the states/ SSDMs will be required for the training centres that are not part of the PMKVY ecosystem
- 5.10 The training center readiness with respect to starting training on ground will be an important factor for implementation of the GKRA scheme. The following factors in addition to PMKVY guidelines will be considered for training center readiness and selection criteria.
1. Centre Accreditation and affiliation status
 2. Training of Trainers status for relevant courses
- 5.11 The applicants will have to follow the timeline as mentioned in the Section Submission of Application and furnish the readiness of their training centres in the districts as per GKRA.
- 5.12 Sub-contracting, sub-letting, franchisee arrangement of any kind for the conduct of training under GKRA is NOT allowed for any Organization/promoters of organization. If such cases are identified or brought to the notice of NSDC, then NSDC reserves the right to initiate any and all actions, not limited to, cancellation of the allocated targets at any time, but future allotments/engagements with the TP.
- 5.13 Since Job Roles have been identified by District Administration keeping in mind the aspiration and local opportunities for Migrant Workers, hence any Change in Job Role in future by TP, should be done primarily to accommodate the interest/ aspiration of the migrant beneficiaries. The TP should take prior written approval from district and NSDC both, before changing any job role.
- 5.14 Skewness of allocation in terms of job roles in a particular district would be monitored. Target allocation will be reviewed by NSDC if it is observed that, in a district, any particular job role is getting more than the 50% of the total target allocated for the district. However, allocation may not be proceeded for a particular district if skewness is present towards one or two job roles only in a district.
- 5.15 Under the GKRA, Tranche 1 i.e. (T1) will not be disbursed as the first payment to the TP, and instead will be clubbed and disbursed with Tranche 2 (T2) as per financial eligibility conditions under STT PMKVY (2016-2020)
- 5.16 All other guidelines of Short-Term Training PMKVY 2016-20 with respect to Accreditation and Affiliation, Onboarding, Enrollment, Training, Finance, Assessment, Certification, Placement, Monitoring, and others would be followed by the Training Providers and the Training Centers while execution of training under GKRA. Applicant is advised to refer to the PMKVY revised guidelines available on PMKVY website: www.pmkvyofficial.org

6 Application categories/Preferences

Ministry of Skill development and entrepreneurship (MSDE) vide OM F. No. SCH-13/04/2020-SNP dated 17th July 2020, has communicated the preference criteria and strategy to be followed by NSDC for allocation of target for STT under GKRA. For ensuring target allocation as per the laid down preferences, the applications are invited for following two categories

Block A: Application invited for Training centres (Preference No. 3.1.1 -3.1.4)

Block B: Application invited for District Wise targets (Preference No. 3.1.5 – 3.1.9)

Key Preferences as laid down in the Office Memorandum are as follow:

- 6.1.1 **First preference** would be given to those training providers whose targets were cancelled (OM no. F. No. B-12011/01/2016-SDE (Part I) dated 29th May 2020), and those who have training facilities in the district for the job roles requested. (P1).
- 6.1.2 **Second preference** would be given to those training providers whose targets were cancelled, and those who have training facilities with physical infrastructure in the district but not for the job roles requested, if they give an undertaking for deploying the necessary equipment within a specified limited time for the required job roles at their training centres. (P2)
- 6.1.3 **Third preference** would be given to PMKKs in the district (if not already included in 2 and 3 above), who have training facilities in the district for the job roles requested. (P3)
- 6.1.4 **Fourth preference** would be given to PMKKs in the district (if not already included in 2 and 3 above) who do not have training facilities in the district for the job roles requested, if they give an undertaking for deploying the necessary equipment within a specified limited time for the required job roles at their centres (P4)
- 6.1.5 **5th preference** would be given to those training providers whose targets were cancelled, and those who do not have any physical presence and training facilities in the district, if they give an undertaking for hiring necessary premises and deploying the necessary equipment within a specified limited time for the required job roles at their training centres. (P5)
- 6.1.6 **6th preference** as per OM would be given to those training providers whose targets were not cancelled, and those who do have training facilities with physical infrastructure in the district for the job roles requested. (P6)
- 6.1.7 **7th preference** as per OM would be given to those training centres who are not registered/affiliated with NSDC but are registered with the SSDMs and are equipped to provide training for job roles requested, provided they have minimum facilities available as required by NSDC for training providers. If recourse to this preference is to be resorted to, NSDC would do a quick assessment of the facilities for its suitability. (P7)
- 6.1.8 **8th preference** as per OM would be given to those training providers whose targets were not cancelled, and those who do have training facilities with physical infrastructure in the district but not for the job roles requested, if they give an undertaking for deploying the necessary equipment within a specified limited time for the required job roles at their training centres. (P8)
- 6.1.9 **9th preference** as per OM would be given to those training providers whose targets were not cancelled, and those who do not have any physical presence and training facilities in the district, if they give an undertaking for hiring necessary premises and deploying the necessary equipment within a specified limited time for the required job roles at their training centres.(P9)

Please refer to **Annexure 3** for key summary of eligibility and preference criteria.

7 Eligibility Criteria

The eligibility criteria for each category varies in terms of physical presence and training facilities in the district/availability of infrastructure/job roles availability with TP as per District Administration demand etc. and can be referred in Annexure 3

Wherever required the applicant will have to mandatorily submit the undertaking as per the standard format appended in Annexure 5 /6 for different applicability/preference criteria.

8 Submission of application

The interested and the eligible organizations can submit the application by the following process:

- The interested applicants will need to submit the details by filling the online application form at the EOI portal and uploading the requisite documents. The link for accessing the EOI portal will be published under the notice section of PMKVY website (<http://pmkvyofficial.org/>) tentatively on or before 04th September 2020.
- Last date for application will be 15th September 2020, 6 P.M
- The schedule for the application submission is highlighted in the table below:

S. No.	Key Activities	Dates
1	Release of notification for submission for EOI - GKRA	24 th August 2020
2	Link for accessing the EOI portal to be published on portal (on or before)	04 th September 2020
3	Last date and time for submission of application	15 th September 2020

In case the eligibility conditions of the applicant organization do not suffice the condition set by this EOI, NSDC has the right to reject the application without any notice/communication.

9 Late Application and incomplete application

Any application received by NSDC after the deadline for submission prescribed in this document shall not be considered. Any application that has been created/saved a draft but not submitted by the applicants on the portal will be considered as null and void. It is the duty of the applicants to verify whether the proposal has been submitted or not.

9. Evaluation criteria

Following are the indicative evaluation criteria for various categories and in the event of receipt of multiple applications for a single district:

- 9.1 While allocating targets, NSDC will go serially from preference listed in point no. 2 of the OM to preference listed in point no. 10 of the OM. While allocating targets, NSDC will move from one preference to the next only after exhausting all available training options for that job role in that preference point.
- 9.2 Within a preference, if the training capacity available is more than the available district target, then the target would be divided amongst training providers proportionately based on the training capacity of the providers in the specific job role in the district, subject to the condition that minimum batch size is obtained.
- 9.3 However in cases where point 9.2 cannot be fulfilled due to conflict in capacity available and district targets available to be allocated, then the preference will be given to TC that is having a good training and placement performance as compared to other TCs and that TC has also been given targets in

other job role in the previous preference order. Equal weightage shall be given to the mentioned parameters

9.4 The target allocation preference will be given to training centres that are ready to start training as per PMKVY and center accreditation guidelines after receiving the response for EOI.

10. Application Ownership

All applications submitted to NSDC shall become the property of NSDC, which shall not be liable to be returned to the proposer. NSDC shall, however, maintain confidentiality of the information contained within the application. NSDC shall be entitled to share the application and the information contained therein with the agencies and individuals involved in the process of evaluation and also its advisors, consultants, lawyers etc. and as may otherwise be required to be disclosed under law.

11. Right to Termination/Cancellation/Revision/Amendment

Notwithstanding anything contained in this document, NSDC, reserves the right to cancel/terminate the EOI process without assigning any reason whatsoever, at any time prior to signing of the agreement and NSDC shall have no liability for above- mentioned actions. Further, NSDC reserves its right to revise or amend this document any time for any reason by issuance of addendum.

12. Corrupt or Fraudulent Practice

In the event of applicant engaging in any corrupt or fraudulent practices during the EOI process, as per the judgment of NSDC, the application shall be rejected. Any decision of NSDC in this regard shall be final and binding on the Applicant.

For the purpose of this clause:

“Corrupt Practice” means the offering, giving, receiving or soliciting of anything of value to influence the action of NSDC in the selection process. It also includes bringing undue influence through any quarter or interfering directly or indirectly in the selection process to affect its outcome.

“Fraudulent Practice” means a misrepresentation of facts in order to influence selection process to the detriment of NSDC.

13. Terms of Reference

All Organizations allocated targets shall be required to comply with the PMKVY revised guidelines as amended from time to time, for implementing the projects allocated to them. In addition, eligibility conditions mentioned in this document shall be binding on all applicants.

In case of any inconsistency, the interpretation taken by NSDC shall be final.

Applicant is advised to refer to the PMKVY revised guidelines available on PMKVY website:
www.pmkvyofficial.org

14. Terms & Conditions

14.1 Interpretation

In case of any ambiguity in the interpretation of any of the clauses in this document, the interpretation of the clauses by Authorized Representative/Sub-evaluation committee of NSDC shall be final and binding on all the parties.

14.2 Language

The expression of interest and all correspondence and documents related to the expression of interest exchanged by the Applicant and NSDC must be in English. Supporting documents and printed literature furnished by the Applicant may be in any language other than English provided they are accompanied by a notary certified translation of the relevant passages in English language. Supporting material, which is not translated in English, may not be considered for evaluation. For the purpose of evaluation and interpretation of the expression of interest, the English language translation shall prevail.

14.3 Change in Laws and Regulations

If after the date of expression of interest submission, any law, regulation, ordinance, order or by-law having the force of law is enacted, promulgated, abrogated or changed which shall be deemed to include any change in interpretation or application by the competent authorities, that subsequently affects the costs and expenses of the Applicant and/or the Time for Completion, the terms and conditions shall be reasonably adjusted.

14.4 Compliance with Laws

- a) The Applicant shall undertake to observe, adhere to, comply with and notify NSDC about all laws in force or as are made applicable in future, pertaining to or applicable to the Applicant, their business, their employees or their obligations towards employees and all purposes of this document and shall indemnify, keep indemnified, hold harmless, defend and protect NSDC and its directors/employees/officers/staff/ personnel/representatives/agents from any failure or omission on its part to do so and against all claims or demands of liability and all consequences that may occur or arise for any default or failure on its part to conform or comply with the above and all other statutory obligations arising there from.
- b) The Applicant shall promptly and timely obtain all such consents, permissions, approvals, licenses, etc. as may be necessary or required for any of the purposes of this PMKVY Project or for the conduct of their own business under any applicable Law, Government Regulation/Guidelines and shall keep the same valid and in force during the term of the PMKVY Project, and in the event of any failure or

omission to do so, shall indemnify, keep indemnified, hold harmless, defend, protect and fully compensate NSDC and its directors/employees/ officers/ staff/ personnel/ representatives/agents from and against all claims or demands of liability and all consequences that may occur or arise for any default or failure on its part to conform or comply with the above and all other statutory obligations arising there from and NSDC shall give notice of any such claim or demand of liability within reasonable time to the Applicant.

- c) The Applicant agrees that the Applicant shall not be entitled to assign / sub lease any or all of its rights and or obligations under this document and subsequent agreement to any entity including Applicant's affiliate without the prior written consent of NSDC.

15. Disputes and Arbitration

15.1 Arbitration

Any controversy or claim arising out of or relating to this PMKVY Project and the services to be rendered by Applicant under or pursuant to this document or agreement, the interpretation hereof, or its breach shall, if not resolved by mutual discussions between the parties, be settled by binding arbitration in accordance with the Arbitration and Conciliation Act, 1996. Arbitration shall be conducted in New Delhi in English language.

15.2 Jurisdiction

Subject to clause 15.1 above, all disputes and controversies between NSDC and Applicant shall be subject to the exclusive jurisdiction of the Courts at New Delhi. The parties agree to submit themselves to the jurisdiction of such court. This document shall be governed by the laws of India.

16. Representations and Warranties

- a) The Applicant further warrants that they are under no obligation or restriction, nor shall they assume any such obligation or restriction, that would in any way interfere or conflict with, or that would present a conflict of interest concerning, any obligations under this PMKVY Project.
- b) The Applicant represents that it is duly incorporated, validly exists under applicable Law.
- c) The Applicant represents that it has the right and authority to enter into agreement and perform its obligations there under. The execution, delivery and performance of terms and conditions under agreements by such Party and the performance of its obligations there under are duly authorized and approved by all necessary action and no other action on the part of such Party is necessary to authorize the execution, delivery and performance under agreements.
- d) The Applicant represents that the submission of responses to this document, execution, delivery and performance under an Agreement entered in case the Applicant is selected:
- Shall not violate or contravene any provision of its documents of incorporation;
 - Shall not violate or contravene any law, statute, rule, regulation, licensing requirement, order, injunction or decree of any court, governmental instrumentality or other regulatory,

- governmental or public body, entity or authority by which it is bound or by which any of its properties or assets are bound;
- To the best of its knowledge, after reasonable investigation, no representation or warranty by the Applicant, and no document furnished or to be furnished to NSDC, or in connection herewith or with the transactions contemplated hereby, contains or shall contain any untrue or misleading statement or omits or shall omit any fact necessary to make the statements contained herein or therein, in light of the circumstances under which it is made. There have been no events or transactions, or facts or information which has come to, or upon reasonable diligence, should have come to the Applicant and which have not been disclosed, having a direct impact on the transactions contemplated hereunder.

17. Right to Change

NSDC reserves its right to change the above stated terms & conditions at any point of time without prior notice.

Annexure 2 – Office Memorandum F. No SCH – 13/04/2020-SNP

F. No. SCH-13/04/2020-SNP
Government of India
Ministry of Skill Development and Entrepreneurship
(Division I (SNP Division) – SD Wing)

2nd Floor, PTI Building, Sansad Marg,
New Delhi-110001,
Dated: 17.07.2020

OFFICE MEMORANDUM

Subject: Target Allocation Strategy for STT under Garib Kalyan Rozgar Abhiyan (GKRA)-reg.

Reference is invited to the e-mail dated 13.07.2020 received from Shri Jaikant Singh, Senior Head, NSDC along with the target allocation strategy for Short Term Training (STT) under Garib Kalyan Rozgar Abhiyan (GKRA) to be implemented in the 116 districts of 6 States for consideration and approval of Competent Authority (MSDE).

2. In this regard, National Skill Development Corporation (NSDC) is directed to modify/ revise the target allocation strategy for STT under GKRA in line with the details as mentioned in the enclosed **Annexure** and share the same with MSDE for consideration and approval at the earliest.

3. This issues with the approval of Competent Authority (MSDE).

Encl: as above (Strategy to be followed by NSDC for allocation of target for STT under GKRA)

Sanjeev Kumar

(Sanjeev Kumar)
Joint Director, MSDE
Ph: 011-23465917
E-mail I'd: sanjeev.kumar78@nic.in

To,

MD and CEO
(Shri Manish Kumar)
NSDC,
Aerocity, New Delhi.

Copy to:

1. PPS to Secretary, MSDE.
2. PS to Senior Adviser, MSDE.
3. PPS to Joint Secretary (Skill Development), MSDE.

Copy for information to:

1. PS to Hon'ble Minister, SDE.
2. PS to Hon'ble MoS, SDE.

Following strategy to be followed by NSDC for allocation of target for STT under GKRA:

1. Target allocation would be strictly according to job roles requested by the district administration in the district, subject to minimum viable number for one batch being obtained for a job role.
2. First preference would be given to those training providers whose targets were cancelled, and those who have training facilities in the district for the job roles requested.
3. Second preference would be given to those training providers whose targets were cancelled, and those who have training facilities with physical infrastructure in the district but not for the job roles requested, if they give an undertaking for deploying the necessary equipment within a specified limited time for the required job roles at their training centres.
4. Third preference would be given to PMKKs in the district (if not already included in 2 and 3 above), who have training facilities in the district for the job roles requested.
5. Fourth preference would be given to PMKKs in the district (if not already included in 2 and 3 above) who do not have training facilities in the district for the job roles requested, if they give an undertaking for deploying the necessary equipment within a specified limited time for the required job roles at their centres.
6. Fifth preference would be given to those training providers whose targets were cancelled, and those who do not have any physical presence and training facilities in the district, if they give an undertaking for hiring necessary premises and deploying the necessary equipment within a specified limited time for the required job roles at their training centres.
7. Sixth preference would be given to those training providers whose targets were not cancelled, and those who do have training facilities with physical infrastructure in the district for the job roles requested.
8. Seventh preference would be given to those training centres who are not registered/affiliated with NSDC, but are registered with the SSDMs and are equipped to provide training for job roles requested, provided they have minimum facilities available as required by NSDC for training providers. If recourse to this preference is to be resorted to, NSDC would do a quick assessment of the facilities for its suitability.
9. Eighth preference would be given to those training providers whose targets were not cancelled, and those who do have training facilities with physical infrastructure in the district but not for the job roles requested, if they give an undertaking for deploying the necessary equipment within a specified limited time for the required job roles at their training centres.
10. Ninth preference would be given to those training providers whose targets were not cancelled, and those who do not have any physical presence and training facilities in the district, if they give an undertaking for hiring necessary premises and deploying the necessary equipment within a specified limited time for the required job roles at their training centres.
11. Entire target for the district (based on demand given by the district) would be given in one go, and not cycle-wise.
12. While allocating targets, NSDC should go serially from First preference given above to last, and move from one preference to the next only after exhausting all available training options for that job role in that preference. For example, if

Sorin K

the entire target can be allocated at the first preference stage itself based on training capacity of providers in the first preference category, then there would be no necessity to go to second preference category. Second preference would be resorted to only when there is not enough capacity in the first preference providers to train the entire target in the district for that job role. Third preference would be resorted to, only if first and second preference capacity is not enough to fulfill the target given for the job role. And so on

13. Within a preference, if the training capacity available is more than the target, then the target would be divided amongst training providers proportionately based on the training capacity of the providers in the specific job role in the district, subject to the condition that minimum batch size is obtained. In case any training provider gets less than the minimum batch size in such an exercise, and is not willing to take up the smaller batch size, then its target would be reallocated proportionately to other training providers who have already been given targets under this exercise
14. Above exercise would be carried out separately for each job role, and no two job roles be merged, unless they are more or less identical except for nomenclature.
